

Overview of CMS Master Data Management (MDM) Data

a. **What's the job_code to access the IDR MDM ADM?**

A - MDM specifically addressed this with the requestor. If one is interested in obtaining access to the MDM PMI/SPP and MDM NPI Profile data in the MDM IDR ADM , please send request to the CCSQ D&A Team for next steps.

b. **What does NPI stand for?**

A - NPI - National Provider Identifier

c. **Does the address you pull from the provider enrollment contact is always deemed to the current one, right?**

A - Yes, from the MDM NPI Profile tables; however, we have both current and historical information in the MDM PMI/SPP.

d. **Is the NPI assigned to a facility, a practice, or a person?**

A - Covered health care providers and all health plans and health care clearinghouses must use the NPIs in the administrative and financial transactions adopted under HIPAA. " https://www.cms.gov/regulations-and-guidance/administrative-simplification/nationalprovidentstand?redirect=/nationalprovidentstand/01_overview.asp Yes, we have both current and historical contact information. We get PECOS data daily, so yes the most current contact information is available.
