QualityNet | AWS Cloud

December 16, 2024

AWS Immersion Session:
AWS Well Architected Framework (WAFR)

This month's Amazon Web Services (AWS) Immersion Session will be a presentation of AWS Well Architected Framework (WAFR), and a demonstration on the WAFR tools and processes.

What is an AWS Immersion Session? The Centers for Medicare & Medicaid Services (CMS) sponsored Immersion Sessions offer expert guidance to the QualityNet Application Development Organization (ADO) community on efficiently and securely utilizing AWS services. Collaborating with CCOM and CMS AWS Support partners, these sessions cover specific topics as requested by the ADO Community.

Topics: Please join this session as we cover the following topics:

AWS Well Architected Framework (WAFR)

Are you Well-Architected?

- Why do you need well-architected review?
- What is well-architected review?
- What is the intent of the review?
- What are the phases of the review?
- WAFR Tool demo.

When: Thursday, December 19, 2024, from 2:00 PM to 3:00 PM ET.

Where: Join ZoomGov
Meeting: https://www.zoomgov.com/j/1611430930?pwd=QVATAIs9kalhZlraGEbYX1mNNNaEcF.1

Meeting ID: 161 143 0930
Passcode: 812224

If you have registered on the AWS Cloud Notify: Amazon Web Services Cloud Notifications listserv, you will automatically receive an invitation to the Immersion Session. If you **have not** signed up yet, visit the QNet AWS Immersion Sessions Confluence space and follow the instructions in the "How can I attend?" section.

Also, please share this Confluence page with others so they can sign up for notifications about the Immersion Sessions.

If you have any questions, please feel free to reach out to the Cloud Management Team on Slack at #help-cloud.
