QualityNet Jira & Add-on Upgrades Completed Successfully

The QualityNet Jira and add-on upgrades have been completed successfully. QualityNet Jira is now available. Several new features are being introduced with the upgrade, including:

eazyBI Features:

- Conditional report alerts
- New Days assigned and Workdays assigned measures
- Improved time hierarchies

Easy Agile Features:

- Updated 'Create program' workflow

Check out the [New Add-On Features with QualityNet Jira 9.4.9](#) blog post to learn more about these features.
