FileCloud Decommission: Team Folder Migration Starts Today!

Team Folders migration into the new UFM system will begin today, with an expected completion date of **March 1, 2024**.

Once the migration is complete, your files will be available in Unified File Management. As of that date, we recommend all Team Folders be accessed and any future files be uploaded to Unified File Management as FileCloud updates from that point forward will not be transitioned.

Additional Information

For more information, please visit the QualityNet IT Services [FileCloud Decommission FAQs page](#). For any additional questions, please message us on our Slack Channel: [#help-ufm](#).
