

QualityNet | Shared Application Management

Alert May 3, 2023

Planned Activity

Planned Actions: HCQIS Active Directory password age change from 60 days to 180 days.

- This change takes effect on Monday, 5/8/2023 at 3:00 p.m. ET

Impacted Application Development Organizations (ADOs): All

Planned Downtime: None

What To Expect: This is an informational notification to let the community know that on Monday, May 8, 2023, at 3:00 p.m. we will be updating the current HCQIS AD password age policy from 60 days to 180 days. **Users have no action to take.**

- If your last password change comes before 5/8/2023, it will expire 60 days from that date.
- When you change your password after 5/8/2023, it will expire 180 days from that date.
