

March 5, 2025

Planned Activity

Planned Actions: The CCSQ RPA program will be migrated to the UiPath GovCloud

Impacted Application Development Organizations (ADOs): All CCSQ RPA Users

Planned Downtime: QualityNet UiPath will be unavailable on March 5, 2025, from 5:30 PM EST to 10:30 PM EST. During this time, the Test and Production Unattended machines will be migrated over to the new UiPath GovCloud environment.

What To Expect: The ESS RPA CoE will migrate from the UiPath Automation Cloud to the UiPath GovCloud on Wednesday March 5, 2025, from 5:30 PM to 10:30 PM EST. All the existing UiPath automations, assets and packages will be transferred over during this time. Existing RPA user accounts will be setup in the new environment. Communication will be sent out once the UiPath GovCloud is available.

- Existing CCSQ RPA User accounts will be migrated over to the new environment. After the migration occurs all CCSQ RPA Users will need to connect their local UiPath Studio to the new GovCloud. Instructions can be found at: ([Connecting to CCSQ UiPath GovCloud](#))

If you have any questions or concerns, please reach out to the ESS RPA CoE on slack at [#help-rpa](#).
