

November 19, 2021

QualityNet Confluence Upgrade

We are upgrading Confluence on November 19, 2021, between 8:00 PM ET and 11:00 PM ET. Confluence will be unavailable during this time period. A communication will be sent out once Confluence is available.

As always, if you have questions or concerns, please reach out to us in Slack channel [#help-atlassian](#).

If you have any questions or concerns, please contact our Slack channel [#help-atlassian](#)
