## Cloud Architecture Team Intake Form Now Available

The HIDS Cloud Team is excited to announce to the QualityNet Community a new way to submit requests directly to the Cloud Architecture Team, which is through the use of an Intake Form. You should use this form in lieu of sending emails or Slack messages to the Cloud Architecture Team.

Examples of when/how to use this form:

- Request implementation assistance with a new AWS service
- Request consultation on non-AWS third-party services and compatibility with QualityNet Infrastructure
- Request participation in a Security Table Top Test (TTT)

See the right side of the [HIDS Cloud Team Home page in Confluence](#) for the Intake Form button.

NOTE: This is an auto-generated message. Please do not respond directly to this email. If you need assistance, add a message to the [#hids-clouddevops-support](#) Slack Channel.

*If you need additional information, contact us:*

Phone: 1-866-288-8914

Slack: [#help-service-center-sos](#)

Save time. Submit and Track your ticket!
