New Custom EPCS Case Form

New Date August 12th

Affected Customers: EPCS Service Center Agents

NOTE: This email is a correction to the communication sent earlier today stating that the new EPCS Case form would be available July 29, 2022.

Starting **August 12, 2022**, at 8:30 PM ET, EPCS Service Center agents will receive access to new functionality for creating and managing EPCS cases in CCSQ ServiceNow.

The EPCS custom Case form will improve the customer and agent experience by displaying only EPCS relevant fields and categorizations. This will streamline data entry for agents, optimize search and reporting capabilities resulting in shorter call times.

For more information and EPCS training resources, review the [Knowledge Article titled: Master Article - Electronic Prescribing for Controlled Substances \(EPCS\) Case](#) in CCSQ ServiceNow.
