ATLASSIAN | for QNet

June 27, 2022

Planned Activity

Planned Actions: QualityNet Jira system restart

Impacted Application Development Organizations (ADOs): QualityNet Jira users

Planned Downtime: Monday, June 27, 2022, between 8:00 PM ET and 11:00 PM ET

What To Expect: QualityNet Jira will be unavailable during this time while the team restarts the system to resolve a node issue. A communication will be sent out once Jira is available. As always, if you have questions or concerns, please reach out to us in our Slack channel at #help-atlassian.
