## FileCloud User Survey

FileCloud Community: You have been identified as an avid FileCloud user and we would like to hear from you in regards to how you use the application! We'd like you to complete a brief survey on how you interact with FileCloud to help us better understand your needs for utilizing the system. This survey will help us improve and continue to support your business needs. The survey takes less than ten minutes and we would appreciate completion of the survey by **COB Friday, 7/1/2022**. Thanks in advance for your participation!
