

**Alert August 22, 2022**

## Planned Activity

**Planned Actions:** Okta will complete the second phase of the End-of-Support Internet Explorer 11 (IE 11) on September 1, 2022.

The first phase happened on **June 1, 2022**, and the following products no longer support IE 11:

- Admin Console
- Okta Access Gateway
- Advanced Server Access
- IGA

The second phase is happening on **September 1, 2022**, after which the following products will no longer support IE 11:

- End User Dashboard
- End User Plugin

**Impacted Application Development Organizations (ADOs):** All ADOs and End Users utilizing IE 11 to access Okta products.

**What To Expect:** Okta will End-of-Support Internet Explorer 11, which means new bugs or issues will not be resolved. In case of any concerns with the above information, please reach out to the [Okta Help Center](#).
