On Saturday, June 11, 2022, the topics for the Validation Program on the Public Question & Answer (Q&A) Portal Ask-A-Question page will be replaced with new topics.

- Current Topics:
 - APU-HAI
 - APU-Program
 - Chart Abstracted
 - eCQM
 - General Requirements
 - Template Submissions
 - Validation
- New Topics:
 - Case Selection
 - HAI Validation Templates
 - Hospital Selection
 - Medical Record Requests
 - Validation Results

The screenshot shows the 'Ask a Question' page of the CMS.gov Quality Q&A Tool. A modal dialog box titled 'Select a topic' is open, displaying a list of topics for selection. The 'Topic' field in the background form is highlighted with a red box, and the dialog box also has a red border. The dialog box contains the following options:

- Validation
 - Case Selection
 - HAI Validation Templates
 - Hospital Selection
 - Medical Record Requests
 - Validation Results

The 'OK' button is visible at the bottom right of the dialog box. The background form includes fields for 'Program' (set to 'Validation'), 'Topic' (with a dropdown arrow and the text 'Select from the list of topics'), and 'Hospital CCN' (with a placeholder '#####').
