Planned Activity

Planned Actions: On Tuesday, March 2, 2023, from 5:00PM to 7:30PM EST, the HARP DevOps team will update the TEST and IMPL environment for E2E encryption. During this time there is no access to HARP in TEST and IMPL.

Impacted Application Development Organizations (ADOs): None

Planned Downtime: 2 Hours 30 Mins

What To Expect: Once the E2E encryption update has been applied, the team will conduct validation on the lower environment for HARP. No ADO actions are required.
