

Alert March 1, 2023

Planned Activity

Planned Actions: On Tuesday, March 1 2023, from 5:00PM to 7:30PM EST, HARP DevOps team will update TEST environment for E2E encryptions. This is an update to the TEST environment, during the maintenance there will not be any access to HARP in TEST environment.

Impacted Application Development Organizations (ADOs): None

Planned Downtime: 4 Hours 30 Mins (no downtime to users)

What To Expect: Once the E2E encryption update has been applied, the team will conduct validation on the lower environment for HARP. No ADO actions are required.
