Alert March 8, 2023

Planned Activity

Planned Actions: Restart Splunk

Impacted Application Development Organizations (ADOs): All ADOs and Ventech

Planned Downtime: Starting tonight, March 8, at 6:30 p.m. and ending at 8:00 p.m. ET, we will be restarting the Splunk cluster in order to remedy an issue with Splunk indexes.

What To Expect: Splunk will be intermittently unavailable during this window, but data ingestion will not be impacted.

For any questions, please reach out to #Help-Splunk via Slack or reach out directly to Jon Warren or Colton Rodgers
