

New Support Central Feature – SMS Texts for Tracking an Existing Ticket is here!

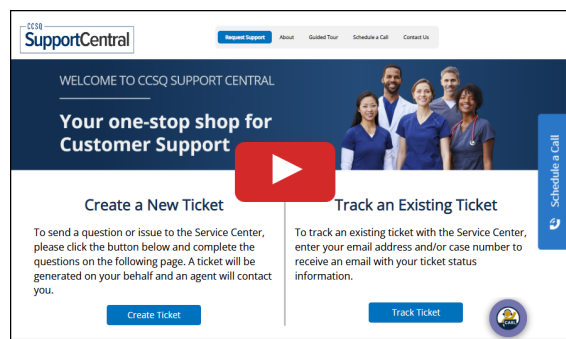

Affected Customers: CCSQ Support Central Customers

Starting Monday, January 23, 2023, CCSQ Support Central customers will be able to use SMS messaging when requesting to track an existing ticket(s).

This new feature provides the following benefits to CCSQ Support Central Customers:

- An additional convenient, customer-friendly authentication method via text message
- Eliminates the need to navigate between the CCSQ Support Central website and email to get the one-time password (OTP) for identification

To see the SMS messaging feature, click the image below to view the [CCSQ Support Central Guided Tour](#).
