PRS 2.0 Planned Activity Success
Physician Module Release Completed

The PRS 2.0 Physician Module (release 6.38.0) has been successfully deployed to production.

How do I access the Physician Module?
To access the Physician Module, click on the **Physician** link on the PRS 2.0 left sidebar.

How do I find a physician?
Once in the **Physician** module, you can search for a physician using two methods:

1. Basic Search - Search by Name, NPI or UPIN
2. Advanced Search - Search by First Name, Last Name, City, State, CMS Region, Address, Zip Code, or NPI

How do I view a physician's details?
From the Physician search results screen, click on a Physician's NPI number to open their details.

What information is available about a physician in PRS 2.0?

- Physician Information (e.g., Name, Medical school, NPI, Medicare participation status)
- Contact Details
- Specialty
- Group Practice Membership
- License Information
- Sanction Status
