

6-26-2024 Townhall Q&A

1. **Q- Can we have access to the recordings of the office hours?**

A- Links can be found here: [CCSQ Data and Analytics \(cms.gov\)](#)

2. **Q- Can your team add information on whether the Food and Drug Administration (FDA) drug package and product tables contain cumulative National Drug Code (NDCs) and include expired NDCs?**

A- We will be publishing new tables soon that include historical/expired NDCs. The new tables should be available by the end of the month. Please be on the lookout for updates on when these tables become available in the Data Catalog.
