PRS 2.0 Development and Design

May 2024 Update

Important News & Announcements

The following PRS 2.0 features and enhancements were released to Production in April:

- **Inpatient Psychiatric Facility (IPF) File Upload Process**
- **HSP Module** – Added 'No' as a search option to the *Affected by IPF* field in Advanced Search.
- **MA Plan Module** – Enhanced Advanced Search to support searching by CMS Region.
- **Data Dictionary** - Added the values for the *Provider Medicare Status* field to the HSP Section.

PRS 2.0 Modules and Simplified Production Roadmap

Dates for forthcoming work are tentative and may be subject to change.
