

## **PRS 2.0 Planned Activity Physician Group Module Release**

**Planned Actions:** The PRS 2.0 Physician Group Module (release 6.39.0) will be deployed to production today (targeting completion by 5 PM ET)

**Impacted Users:** PRS 2.0 User Community

**Planned Downtime:** None - there is no impact to the user community during the release timeframe.

**What To Expect:** Once the release has completed, the Physician Group module will appear on the PRS 2.0 left side bar with the label: **Physician Group**

Once in the **Physician Group** Module, you will be able to search for a physician group using two methods:

1. Basic Search - Search by Group Name or Group NPI
2. Advanced Search - Search by Group Name, Group NPI, Group Provider Number, City, State, CMS Region, Address, Zip Code, or Specialty

From the search results, select a physician group to view their details, including:

- Physician Group Information (e.g., Name, NPI, Medicare participation status)

- Contact Details
- Group Specialty
- Sanction Status

If a physician is part of a group practice, you will also be able to click on the Group's NPI # in the Physician Details view to see their Physician Group Details.
