NORTHROP GRUMMAN

Table Name: **beneficiary**

Title: Base Processing Information

Description: Beneficiary's base information.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition** Beneficiary Partition Key	**Number**	**1**
2	**beneficiary_key** Beneficiary Link Key	**Number**	**2**
3	**claim_account_number** Beneficiary Claim Account Number (CAN)	**String**	
4	**beneficiary_identification_code** Beneficiary Identification Code (BIC)	**String**	
5	**record_identification_code** Beneficiary Record Completeness Code	**String**	
6	**is_current_ssn_verified** Beneficiary Social Security Number Verified Switch	**String**	
7	**is_combined_earning** Beneficiary Combined US Foreign Earnings Switch	**String**	
8	**accretion_date** Beneficiary Accretion Date	**Date**	
9	**birth_date** Beneficiary Birth Date	**Date**	
10	**is_representative_payee** Beneficiary Representative Payee Switch	**String**	
11	**beneficiary_record_type** Beneficiary Type Record Code	**String**	
12	**death_date** Beneficiary Death Date	**Date**	
13	**gender** Beneficiary Gender/Sex Code	**String**	
14	**is_clerical_name_change** Beneficiary Clerical Name Change Switch	**String**	
15	**is_clerical_gender_correction** Beneficiary Gender/Sex Code Clerical Correction Switch	**String**	
16	**race** Beneficiary Race Code	**String**	

17	**is_enrollment_deleted**	**String**
	Beneficiary Enrollment Deleted Switch	
18	**is_discrepant_name**	**String**
	Beneficiary Discrepant Name Switch	
19	**payer_type_part_a**	**String**
	Beneficiary Part A Payer Type Code	
20	**payer_type_part_b**	**String**
	Beneficiary Part B Payer Type Code	
21	**ssa_rrb_processing_date**	**Date**
	Beneficiary Social Security Administration Railroad Retirement Board Processing Date	
22	**ssi_source**	**String**
	Beneficiary Supplemental Security Income Source Code	
23	**is_general_enrollment_period_responded**	**String**
	Beneficiary Part B General Enrollment Solicitation Code	
24	**is_death_date_verified**	**String**
	Beneficiary Death Day Verified Switch	
25	**non_entitlement_reason_part_a**	**String**
	Beneficiary Medicare Part A Non Entitlement Reason Code	
26	**residency_requirement_met_date**	**Date**
	Beneficiary Residency Requirement Met Date	
27	**ssa_language_preference**	**String**
	Beneficiary Contact Language Code	
28	**medicare_handbook_language**	**String**
	Beneficiary Language Code	
29	**medicare_handbook_media_preference**	**String**
	Beneficiary Medicare And You Handbook Media Preference Code	
30	**non_entitlement_reason_part_b**	**String**
	Beneficiary Medicare Part B Non Entitlement Reason Code	
31	**benefit_denial_reason**	**String**
	Beneficiary Medicare Benefit Denial Reason Code	
32	**program_service_center**	**String**
	Beneficiary Program Service Center Code	
33	**earliest_eligibility_date**	**Date**
	Beneficiary Part B Earliest Eligibility Date	
34	**race_source**	**String**
	Beneficiary Race Source Code	

35	**is_incarcerated**	**String**	
	Beneficiary Incarceration Status Switch		
36	**is_open_part_a**	**String**	
	Beneficiary Part A Direct Bill Open Switch		
37	**is_open_part_b**	**String**	
	Beneficiary Part B Direct Bill Open Switch		
38	**disaster_code**	**String**	
	Beneficiary Disaster Code		
39	**death_date_proof**	**String**	
	Beneficiary Date of Death Proof Code		
40	**representative_payee_name**	**String**	
	Beneficiary Representative Payee Name		
41	**is_resides_with_representative_payee**	**String**	
	Beneficiary Representative Payee Reside Beneficiary Switch		
42	**railroad_retirement_board_number**	**String**	
	Beneficiary Railroad Retirement Board Health Insurance Claim Number		
43	**medicare_card_type**	**String**	
	Beneficiary Medicare Card Type Code		
44	**card_request_date**	**Date**	
	Beneficiary Medicare Card Request Date		
45	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
46	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		
47	**is_open_part_d_irmaa**	**String**	
	Beneficiary Direct Billing Part D IRMAA Open Switch		
48	**is_clerical_incarceration_change**	**String**	
	Clerical Incarceration Status Change Switch		
49	**medicare_summary_notice_language**	**String**	
	Beneficiary Medicare And You Handbook Language Code		
50	**medicare_summary_notice_media_preference**	**String**	
	Medicare Summary Notice Media Preference Code		

Table Name: **beneficiary_cross_reference**

Title: Heath Insurance Claim Number (HICN) History

Description: Beneficiary's cross-reference Health Insurance Claim Numbers (HICNs) information.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition** Beneficiary Partition Key	**Number**	1
2	**beneficiary_key** Beneficiary Link Key	**Number**	2
3	**xref_claim_account_number** Beneficiary Cross Reference Claim Account Number (CAN)	**String**	3
4	**kill_credit_code** Beneficiary Cross Reference Type Code	**String**	
5	**xref_beneficiary_identification_code** Beneficiary Cross Reference Beneficiary Identification Code (BIC)	**String**	4
6	**xref_beneficiary_key** Beneficiary Cross Reference Beneficiary Link Key	**Number**	
7	**added_date_time** Record Add Timestamp	**Timestamp**	5
8	**last_updated_date_time** Record Update Timestamp	**Timestamp**	

Table Name: **beneficiary_name**

Title: Name History

Description: Name changes for a beneficiary. Common reasons for change are marriage or divorce.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**last_name**	**String**	
	Beneficiary Last Name		
4	**first_name**	**String**	
	Beneficiary First Name		
5	**middle_name**	**String**	
	Beneficiary Middle Name		
6	**added_date_time**	**Timestamp**	**3**
	Record Add Timestamp		
7	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **beneficiary_status**

Title: Beneficiary Snapshot

Description: Current snapshot of core information for a beneficiary. Includes identifiers, name, and system status (active or archived).

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**claim_account_number**	**String**	
	Beneficiary Claim Account Number (CAN)		
4	**beneficiary_identification_code**	**String**	
	Beneficiary Identification Code (BIC)		
5	**death_date**	**Date**	
	Beneficiary Death Date		
6	**birth_date**	**Date**	
	Beneficiary Birth Date		
7	**last_name**	**String**	
	Beneficiary Last Name		
8	**first_name**	**String**	
	Beneficiary First Name		
9	**middle_name**	**String**	
	Beneficiary Middle Name		
10	**social_security_number**	**String**	
	Beneficiary Social Security Number		
11	**gender**	**String**	
	Beneficiary Gender/Sex Code		
12	**archived_status**	**String**	
	Beneficiary Archival Status Indicator		
13	**archived_date_time**	**Timestamp**	
	Beneficiary Archival Timestamp		
14	**recalled_date_time**	**Timestamp**	
	Beneficiary Recall from Archive Timestamp		
15	**added_date_time**	**Timestamp**	
	Record Add Timestamp		

16	**last_updated_date_time**	**Timestamp**
	Record Update Timestamp	
17	**medicare_beneficiary_identifier**	**String**
	Medicare Beneficiary Identifier (MBI)	
18	**railroad_retirement_board_number**	**String**
	Beneficiary Railroad Retirement Board Health Insurance Claim Number	

Table Name: **common_working_file_location**

Title: Common Working File Location

Description: Common Working File (CWF) location where beneficiary utilization records are maintained.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**host_identifier**	**String**	
	Beneficiary Common Working File Location Identifier		
4	**location_change_date**	**Date**	**3**
	Beneficiary Common Working File Location Change Date		
5	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
6	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **mailing_address_override**

Title: Mailing Address Override

Description: Request for overriding Medicare card suppression for a beneficiary with an address that failed address validation.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**effective_date**	**Date**	**3**
	Effective Date for the Mailing Address Override		
4	**override_source**	**String**	**4**
	Source of Mailing Address Override		
5	**override_code**	**String**	
	Mailing Address Override Code		
6	**overridden_mailing_address**	**String**	
	Mailing Address at the time of override		
7	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
8	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		
9	**override_reason**	**String**	
	Reason for Mailing Address Override		

Table Name: **mailing_address_scrubbed**

Title: Mailing Address - Scrubbed

Description: Beneficiary's mailing address that has been scrubbed using addressing validation software.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**start_date**	**Date**	
	Beneficiary Derived Mailing Address Effective Date		
4	**is_scrubbed**	**String**	
	Derived Address Scrubbed Switch		
5	**consular_code**	**String**	
	Beneficiary Derived Mailing Address Consular Code		
6	**address_line_1**	**String**	
	Beneficiary Derived Line One Mailing Address		
7	**address_line_2**	**String**	
	Beneficiary Derived Line Two Mailing Address		
8	**address_line_3**	**String**	
	Beneficiary Derived Line Three Mailing Address		
9	**address_line_4**	**String**	
	Beneficiary Derived Line Four Mailing Address		
10	**address_line_5**	**String**	
	Beneficiary Derived Line Five Mailing Address		
11	**address_line_6**	**String**	
	Beneficiary Derived Line Six Mailing Address		
12	**city**	**String**	
	Beneficiary Derived Mailing Address City Name		
13	**state**	**String**	
	Beneficiary Derived Mailing Address Postal State Code		
14	**zip**	**String**	
	Beneficiary Derived Mailing Address ZIP Code		
15	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
16	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

17	delivery_point_validation_flag	String
	Delivery Point Validation (DPV) Flag	
18	cass_return_code	Number
	Coding Accuracy Support System (CASS) Return Code	
19	cass_footnote_code	String
	Coding Accuracy Support System (CASS) Footnote code	
20	delivery_point_validation_vacant_indicator	String
	Delivery Point Validation (DPV) Vacant Indicator	
21	delivery_point_validation_seasonal_indicator	String
	Delivery Point Validation (DPV) Seasonal Vacant Indicator	
22		Number
	Derived Latitude Numeric	
23		Number
	Derived Longitude Numeric	
24		String
	Derived Census Tract	
25		String
	Derived Census Block	

Table Name: **medicare_beneficiary_identifier**

Title: Medicare Beneficiary Identifier (MBI) History

Description: Medicare Beneficiary Identifiers (MBIs) assigned to a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**sequence**	**Number**	**3**
	Medicare Beneficiary Identifier (MBI)		
4	**medicare_beneficiary_identifier**	**String**	**4**
	Medicare Beneficiary Identifier (MBI)		
5	**effective_date**	**Date**	
	Medicare Beneficiary Identifier (MBI) Effective Date		
6	**effective_reason**	**String**	
	Medicare Beneficiary Identifier (MBI) Effective Reason Code		
7	**end_date**	**Date**	
	Medicare Beneficiary Identifier (MBI) End Date		
8	**end_reason**	**String**	
	Medicare Beneficiary Identifier (MBI) End Reason Code		
9	**card_request_date**	**Date**	
	Medicare Beneficiary Identifier (MBI) Health Insurance (HI) Card Mail Request Date		
10	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
11	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **social_security_number**

Title: Social Security Number (SSN) History

Description: History of Social Security Numbers (SSN) assigned to a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition** Beneficiary Partition Key	**Number**	1
2	**beneficiary_key** Beneficiary Link Key	**Number**	2
3	**social_security_number** Beneficiary Social Security Number	**String**	
4	**added_date_time** Record Add Timestamp	**Timestamp**	3
5	**last_updated_date_time** Record Update Timestamp	**Timestamp**	

Table Name: **state_county_scrubbed**

Title: State & County - Scrubbed

Description: Beneficiary state and county history that has been scrubbed using address validation software.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**start_date**	**Date**	**3**
	Beneficiary State County Effective Date		
4	**end_date**	**Date**	
	Beneficiary State County Termination Date		
5	**source**	**String**	
	Beneficiary State County Source Code		
6	**county**	**String**	
	Beneficiary State County Code		
7	**state**	**String**	
	Beneficiary State County State Code		
8	**audit_identifier**	**String**	**4**
	Beneficiary State County Code Audit Identifier		
9	**audited_date_time**	**Timestamp**	
	Beneficiary State County Audit Timestamp		
10	**end_source**	**String**	
	Beneficiary State County Termination Date Source Identifier		
11	**audit_source**	**String**	
	Audit Source Identifier		
12	**fips_county**	**String**	
	Beneficiary State County Derived FIPS County Code		
13	**fips_state**	**String**	
	Beneficiary State County Derived FIPS State Code		
14	**zip**	**String**	
	Beneficiary State County ZIP Code		
15	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
16	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **state_county_ssa**

Title: Beneficiary State & County - SSA

Description: State and county history for a beneficiary as received from the Social Security Administration (SSA).

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**ssa_district_office**	**String**	
	Beneficiary Social Security Administration State County District Office Code		
4	**ssa_standard_state**	**String**	
	Beneficiary Social Security Administration State County Standard State Code		
5	**zip**	**String**	
	Beneficiary Social Security Administration State County ZIP Code		
6	**ssa_standard_county**	**String**	
	Beneficiary Social Security Administration State County Standard County Code		
7	**start_date**	**Date**	**3**
	Beneficiary Social Security Administration State County Effective Date		
8	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
9	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **eligibility_part_d**

Title: Medicare Part D Eligibility

Description: Part D (prescription drug) eligibility history for a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition** Beneficiary Partition Key	**Number**	1
2	**beneficiary_key** Beneficiary Link Key	**Number**	2
3	**start_date** Beneficiary Part D Eligibility Effective Date	**Date**	3
4	**stop_date** Beneficiary Part D Eligibility Termination Date	**Date**	
5	**eligibility_reason** Beneficiary Part D Eligibility Reason Code	**String**	
6	**audited_date_time** Audit Created Timestamp	**Timestamp**	
7	**audit_sequence** Audit Sequence Number	**Number**	4
8	**end_created_date_time** End Created Timestamp	**Timestamp**	
9	**start_source** Beneficiary Part D Eligibility Start Source Identifier	**String**	
10	**end_source** Beneficiary Part D Eligibility Termination Date Source Identifier	**String**	
11	**audit_source** Audit Source Identifier	**String**	
12	**added_date_time** Record Add Timestamp	**Timestamp**	
13	**last_updated_date_time** Record Update Timestamp	**Timestamp**	
14	**audit_reason** Beneficiary Part D Eligibility Audit Reason Code	**String**	
15	**stop_reason** Beneficiary Part D Eligibility Termination Reason Code	**String**	

Table Name: **entitlement_disability**

Title: Disability Insurance Benefit Entitlement

Description: Disability entitlement details for a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**justification_code**	**String**	
	Beneficiary Disability Insurance Benefit Entitlement Justification Code		
4	**start_date**	**Date**	
	Beneficiary Disability Insurance Benefit Entitlement Effective Date		
5	**termination_date**	**Date**	
	Beneficiary Disability Insurance Benefit Entitlement Termination Date		
6	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
7	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **entitlement_part_a**

Title: Medicare Part A Entitlement

Description: Part A entitlement history for a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**start_date**	**Date**	**3**
	Beneficiary Medicare Part A Entitlement Effective Date		
4	**premium_due_amount**	**Number**	
	Beneficiary Medicare Part A Entitlement Direct Billing Period Premium Due Amount		
5	**stop_date**	**Date**	
	Part A Entitlement Stop Date		
6	**questionable_premium_due_amount**	**Number**	
	Beneficiary Medicare Part A Entitlement Direct Billing Questionable Premium Due Amount (QPDA)		
7	**enrollment_reason**	**String**	
	Part A Enrollment Reason Code		
8	**entitlement_status**	**String**	
	Part A Entitlement Status Code		
9	**receivable_balance**	**Number**	
	Beneficiary Medicare Part A Entitlement Direct Billing Receivable Balance Amount		
10	**audit_sequence**	**Number**	**4**
	Audit Sequence Number		
11	**audited_date_time**	**Timestamp**	
	Audit Created Timestamp		
12	**end_created_date_time**	**Timestamp**	
	End Created Timestamp		
13	**non_entitlement_reason**	**String**	
	Part A Non-Entitlement Reason Code		
14	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
15	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **entitlement_part_b**

Title: Medicare Part B Entitlement

Description: Part B entitlement history for a beneficiary.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition** Beneficiary Partition Key	**Number**	**1**
2	**beneficiary_key** Beneficiary Link Key	**Number**	**2**
3	**start_date** Beneficiary Medicare Part B Entitlement Effective Date	**Date**	**3**
4	**premium_due_amount** Beneficiary Medicare Part B Entitlement Direct Billing Period Premium Due Amount	**Number**	
5	**stop_date** Part B Entitlement Stop Date	**Date**	
6	**enrollment_reason** Part B Enrollment Reason Code	**String**	
7	**questionable_premium_due_amount** Beneficiary Medicare Part B Entitlement Direct Billing Questionable Premium Due Amount (QPDA)	**Number**	
8	**receivable_balance** Beneficiary Medicare Part B Entitlement Direct Billing Receivable Balance Amount	**Number**	
9	**enrollment_method** Part B Enrollment Method Code	**String**

12	**irmaa_balance** Part B Income Related Monthly Adjusted Amount (IRMAA) Balance Amount	**Number**	
13	**irmaa_questionable_premium_due_amount** Part B Income Related Monthly Adjusted Amount (IRMAA) Questionable Premium Due Amount (QPDA)	**Number**	
14	**audited_date_time** Audit Created Timestamp	**Timestamp**	
15	**audit_sequence** Audit Sequence Number	**Number**	**4**

16	**end_created_date_time**	**Timestamp**
	End Created Timestamp	
17	**non_entitlement_reason**	**String**
	Part B Non-Entitlement Reason Code	
18	**added_date_time**	**Timestamp**
	Record Add Timestamp	
19	**last_updated_date_time**	**Timestamp**
	Record Update Timestamp	

Table Name: **entitlement_reason**

Title: Entitlement Reason

Description: Reason for beneficiary's Medicare entitlement.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**entitlement_reason**	**String**	
	Beneficiary Entitlement Reason Code		
4	**entitlement_reason_change_date**	**Date**	**3**
	Beneficiary Entitlement Reason Change Date		
5	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
6	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		

Table Name: **ssa_benefit_payment_status**

Title: SSA Benefit Payment Status

Description: Social Security Administration (SSA) benefit payment status for a beneficiary. The benefit payment code is also known as the Ledger Account File (LAF) code.

Columns:

Seq	Column Name/ Title	Type	Key
1	**beneficiary_partition**	**Number**	**1**
	Beneficiary Partition Key		
2	**beneficiary_key**	**Number**	**2**
	Beneficiary Link Key		
3	**benefit_payment_effective_date**	**Date**	
	Beneficiary Social Security Administration Benefit Payment Status Effective Date		
4	**benefit_payment_code**	**String**	
	Beneficiary Social Security Administration Benefit Payment Status Code		
5	**benefit_payment_change_date**	**Date**	**3**
	Beneficiary Social Security Administration Benefit Payment Status Code Change Date		
6	**credit_action_date**	**Date**	
	Beneficiary Social Security Administration Benefit Payment Status Credit Action Termination Date		
7	**suspension_termination_date**	**Date**	
	Beneficiary Social Security Administration Benefit Payment Status Suspension Termination Date		
8	**added_date_time**	**Timestamp**	
	Record Add Timestamp		
9	**last_updated_date_time**	**Timestamp**	
	Record Update Timestamp		
10	**benefit_reason**	**String**	
	Social Security Administration (SSA) Benefit Reason Code		

Table Name: **comprehensive_addiction_recovery_event**

Title: Comprehensive Addiction and Recovery Act Event

Description: Beneficiary's Comprehensive Addiction and Recovery Act (CARA) event. Part D plan sponsors may establish a drug management program for beneficiaries at risk for prescription drug abuse or misuse. If casework reveals a problem, the beneficiary's access to coverage of frequently abused controlled drugs may be restricted to a selected prescriber and/or network pharmacy. Additionally, CMS limits the use of the Special Enrollment Period (SEP) for dually or other Low Income Subsidy (LIS) beneficiaries who are identified as at-risk or potentially at-risk for prescription drug abuse under a drug management program.

Columns:

Seq	Column Name/ Title	Type	Key
