

TCF Announcement | Current COVID-19 Community Level: High

Tantus is following CDC and local guidelines for health safety in the Tantus Collaboration Facility (TCF). The current level for Baltimore County is now: *High*. As a result of this risk change, this means that any visitors who visit the facility will need to follow the associated prevention guideline listed below before entering the TCF.

Required Prevention Steps before entering building:

- Wear a mask indoors
- Complete the [TCF health attestation form](#)

Before visiting the TCF please visit the [TCF Confluence Space](#) for additional Safety Protocols and other information or click one of the buttons below. For assistance or if you have question contact us on our QualityNet Slack channel: [#help-tcf](#)
