

# CCSQ Data & Analytics - Data Camp 2022!

**Join us for the Fall 2022 CCSQ Data Camp on November 16th and 17th.** The CCSQ Data Camps are multi-session, multi-day events designed for the CCSQ Data and Analytics community, where subject matter experts from various groups and lines of businesses will present on various training sessions and informational seminars. This year's theme will be focusing on "**Quality Data Analytics Innovation**", as our session speakers will provide guidance and perspective on CCSQ's future enhancements and vision for both data and analytics tools.

If you do not have the calendar invite for the event, [request an invitation today!](#)
