

CCSQ LACE CoP: Creating Organizational Accountability

Mark your calendars for **Wednesday, June 7th from 1:00pm-3:00pm ET** for CCSQ LACE Community of Practice: ***Creating Organizational Accountability***. During this CCSQ Community of Practice event, the LACE will examine the various agreements between teams, leadership, customers and partners to create a fabric of organizational accountability. Attendees will:

- Discover how continuous exploration fuels innovation,
- Gain the guidance and tools you'll need to work effectively in remote environments with distributed teams, and
- Define a vision, strategy, and roadmap to satisfy existing customers and attract new ones.
